

HOW TO ACCESS BLOCKCHAIN DOMAINS AND THE DECENTRALIZED WEB

There are three ways to access our website on the decentralized web:

1 – Use the Unstoppable Extension that runs on all the major browsers:

<https://unstoppabledomains.com/extension>

2 – Make a small change in your browser settings:

<https://community.unstoppabledomains.com/t/configure-your-browser-for-cloudflare-and-unstoppable-domains/1469>

3 – Use the Unstoppable Browser:

<https://unstoppabledomains.com/browser>
